Jay R. Thomas, MD, PhD is a Clinical Medical Director at San Diego Hospice. He holds an appointment as Assistant Clinical Professor of Medicine at the University of California, San Diego School of Medicine. He is particularly interested in academic palliative medicine with research interests in nociceptive and neuropathic pain, constipation, and dyspnea.

Jay received the Bachelor of Arts degree in biochemistry from Harvard University, Cambridge, Massachusetts. He subsequently received his medical and doctorate degrees in the Medical Scientist Training Program at the University of California, San Francisco. He completed a residency in internal medicine at the University of California, San Diego. He is certified by the American Board of Internal Medicine and the American Board of Hospice and Palliative Medicine.
